

Nassuiaat/Signaturforklaring/Legend

Legend section containing symbols and descriptions for various geographical features such as water bodies, land cover, and infrastructure. It includes symbols for rivers, lakes, and different types of terrain.

1:50.000

Scale bar and projection information. Includes a graphic scale bar from 0 to 5 km and 0 to 2 miles. Text describes the datum and projection used: 'Greenland 1996 UTM Zone 24N'. It also includes a 'Najoqutaq/Referenceguide/Reference Guide' table with grid zone designations and examples of point coordinates.

Zone information and map orientation. Shows the magnetic declination for the area and a north arrow. Text includes 'Zone/Zone/Zone: 24' and 'MAGNETIC NORTH'.

Inset map and elevation guide. The inset map shows the location of the sheet within the larger context of Greenland. Below it is an 'Oatsissusermut najoqutaq' (Elevation Guide) showing a vertical scale from low to high elevation.

Administrative boundaries and sheet grid. Shows 'Kommunittuq' (Municipalities) and 'Nunap assingi' (Sheet grid). A grid of sheet numbers is shown, with sheet 2623-2 highlighted in the center.

Small text at the bottom of the legend area, likely providing copyright or data source information.
