

Nassuiaat/Signaturforklaring/Legend

The legend provides a key for the symbols used on the map. It includes categories such as:

- Naturlegeme (Natural Features):** Symbols for mountains, hills, and various types of vegetation (tundra, forest). It also lists symbols for water bodies like rivers, streams, and lakes.
- Bygninger og Anlæg (Buildings and Structures):** Symbols for houses, huts, and other structures.
- Infrastruktur (Infrastructure):** Symbols for roads, trails, and bridges.
- Administrative Områder (Administrative Areas):** Symbols for municipalities and districts.
- Andre (Other):** Symbols for specific markers and points of interest.

1:50.000

This section contains the scale bar and coordinate information. The scale bar shows distances in kilometers (0 to 5 km) and miles (0 to 3 miles). Below the scale bar, there is a detailed explanation of the map's projection and datum:

- Najooqut/Geodætisk Datum og Projektion/Geodetic Datum and Projection:** Greenland 1996 UTM Zone 24N.
- Najooqut/Referenceguide/Reference Guide:** Provides instructions on how to read the grid coordinates (easting and northing) and how to identify specific points on the map.

This section provides information about the map's orientation and magnetic declination. It includes a north arrow and details about the magnetic declination at the time of the map's creation (2025) and the current declination (2024).

- Dato for magnetisk afvigelse (Date of magnetic declination):** 2025.
- Nu (Current):** 2024.
- Magnetisk afvigelse (Magnetic declination):** 1° 36' WEST.

This section includes an elevation guide and contour interval information. It shows a vertical scale for elevation in meters, ranging from low to high. It also provides the contour interval, which is 50 meters.

- Oatsissusermut najooqut/Højdeguide/Elevation Guide:** Shows the vertical scale.
- Oatsissutimik titarnert nikingassutaat/Contour Interval 50 m:** States the contour interval.
- Oatsissutit meterinngorlugit/Koter i meter/Elevations in meters:** States that contours are in meters.

This section provides information about the administrative divisions and adjoining sheets.

- Kommunittut agguarnera/Kommuneinddeling/Districts:** Shows the administrative districts of the region.
- Nunap assingit/Kortblade/Adjoining Sheets:** Shows a grid of map sheets, with sheet 2823-1 highlighted as the current sheet.
