

Map of Kulusuk

Located on Kulusuk Island, the settlement of Kulusuk, with the international airport, is the remote gateway to the Ammassalik region. It offers panoramic views of the Apusiaajik Glacier and the seemingly endless open ocean.

Most houses in the settlements don't have running water. Drinking water can be collected from:

 Small blue water huts spread across the settlement

Polar Bears
 They roam the sea ice from the north travelling close by Kulusuk Island
